Improve learning and teaching with **CURRICULUM MAPPING**

Two-Day Academy

Curriculum Mapping Workshops: Planning Strategies for Successful Implementation

Join the leading expert on Curriculum Mapping who is returning to Australia to assist curriculum leaders with the nuts and bolts of mapping.

- **May 24–25, 2009** in Melbourne, Australia
- **May 29–30, 2009** in Brisbane, Australia

Dr. Jacobs will base the workshop on four basic stages for implementation:

- I. Laying the Foundation** — *Creating a Shared Vision and Rethinking Your Leadership Structure to Support Mapping*
- II. Launching the Process/Getting Started** — *Creating Individual Maps, Initiating the Review Process, Master Mapping Strategies, and Developing Consensus Maps*
- III. Sustaining and Integrating the Mapping Process** — *Integrating Assessment Findings Directly into Your Map and Developing an Implementation Plan*
- IV. Advanced Mapping Tasks** — *Updating Your Maps with 21st Century Techniques*
